

BE PART OF THE FUTURE

AT THE SCIENCE & TECHNOLOGY SCHOOLS EXPO!

Come along to the **Science and Technology Expo** – an exciting, hands-on evening where families, teachers, and the community can explore the amazing world of STEM!

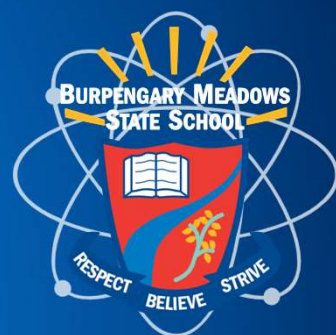

EVENT DETAILS –

Wednesday, September 10, 2025

5:30 – 8:30 pm

Burpengary Meadows State School
153 Rowley Road, Burpengary

- Discover interactive exhibits and groundbreaking technology
- Engage with fun, hands-on science and tech activities for all ages
- Be inspired by students' creations and real-world applications of STEM
- Connect with local schools and businesses showcasing innovation

This event is a fantastic opportunity for the community to come together, celebrate learning, and spark curiosity in science and technology.

Let's bring science and technology to life – together!
